

MINUTES
CITY OF AUBURN - TRAFFIC COMMITTEE
Tuesday, October 21, 2008
8:30 A.M. @ City Hall Conference Room 10

1. Public Comment:

Gary Pantaleoni (PHS Asst Principal) reported that making Finley a one-way street has appeared to work once folks were used to the idea; with only small back ups on Orange down the hill. Only one incident was reported and cleared up when a bus clipped a student's mirror off their car. A parent suggested that Orange Street going up the hill be changed to one-sided parking, but this would affect the residents of that street; so it would have to be looked at very carefully. Stadium Way has 30 – 40 empty parking spots daily so there appears to be plenty of parking for students at this time.

Jack Warren received a request for permit parking on College, so will schedule a community meeting after the holidays.

Warren also took another look at the stop sign on Lincoln Way by Alta Vista School and had a conversation with KD Anderson. Chief Harris placed calls to the preschool; Alder Grove School, and all the local dentist offices and the consensus was the sign works for slowing traffic down and they prefer to keep the sign in place.

2. Approval of August 2008 Minutes M/S Richardson & Powers

ACTION ITEMS:

N/A

DISCUSSION ITEMS:

3. Tuttle Tract Neighborhood – Opposition of new Signage

Mark Gibson, Tuttle Street (Surveys out; results discussed November 18th meeting)

Surveys are out and the few that we've received back appears to reflect that the neighbors prefer to keep the original signage.

4. Flashing Advisory Student Crossing

Gary Pantaleoni, PHS Asst Principal

Pantaleoni stated he received a request from a parent; who choose not to come to the traffic committee. The suggestion was to place a blinking warning light of students using the crosswalks during the class change periods (twice in the morning and once in the afternoon). Warren stated most folks driving in the PHS area are aware of the congestion periods and avoid this area and didn't see this as a problem.
